EXPERIENCE

- **Full Stack Developer Intern | Aero2Astro** *March 2025 – May 2025*
  - Refactored and debugged **AeroSky's drone platform** during architectural separation to **Next.js/Node.js** microservices**.**
  - Fixing bugs in both frontend (**UI issues**, state management) and backend (**API errors, data flow**).
  - Working with **GeoServer** for spatial data visualization and drone flight path mapping.

- **Back-End Developer Intern | Floww APIS PVT. LTD.** *June 2025 - Present*
  - Developed the **backend** for **Atom Buzz**, Floww's **social networking platform**, including **Buzz Chat** and **Buzz Call** modules using **Django REST Framework.**
  - Developed the **Floww Calendar** and **Nucleus ticketing system** to streamline internal operations.
  - Collaborated with **frontend developers** to fix **API issues**, improving **system performance** and **stability**.

PROJECTS

- **HR Feedback & Goal Management Platform – FeedX** | (Link) | (Source-Code)
  - Built a MERN stack HR platform with **real-time 360° feedback** and **performance analytic**.
  - Implemented **360-degree feedback**, **goal tracking**, and **performance analytics** with a focus on real-time continuous feedback.
  - Won the **GoFloww's Atom HR P.S.** by delivering a secure, scalable, and user-friendly solution**.**

- **Student Achievement Management Platform – Pratibha-Kosh** | (Link) | (Source-Code)
  - Developed for **SIH 2025**, enabling students to **manage and track their achievements and certificate approvals** seamlessly.
  - Built **role-based dashboards** with insightful analytics for students, faculty, and admins.
  - Integrated **AI-driven career guidance** and a **certificate issuer verification panel** for authenticity**.**

- **Show Listing & Ticket Booking Platform – Mic On Mithila** | (Link)
  - Built a **show ticket booking platform** for events in the **Darbhanga region** with **real-time availability.**
  - Developed an **admin panel** for show listing, scheduling, and management.
  - Integrated **Cashfree** payment gateway to handle **real user traffic** with secure and seamless bookings**.**

ACHIEVEMENTS

- **Problem Statement Winner - HackFest'25, IIT Dhanbad**
  - Led the team and won the **GoFloww's Atom HR Problem Statement** at **HackFest'25**, organized by **IIT Dhanbad**, by delivering an innovative HR-tech solution under high-pressure, real-world conditions.
